

 **SPACE  
TECH EXPO**  
DESIGN • BUILD • TEST

**INVITATION  
TO ATTEND**

**May 24-26, 2016  
Pasadena, CA, USA**

[www.spacetechnexpo.com](http://www.spacetechnexpo.com)

**Thermal Management Technologies** will be exhibiting at Space Tech Expo this May 24-26, 2016 at the Pasadena Convention Center, CA, USA and we're inviting all of our friends and colleagues to join us at America's meeting place for space technology and engineering.

**FRIENDS OF THERMAL MANAGEMENT  
TECHNOLOGIES REGISTER FOR FREE!**

Attending the exhibition is completely free, your pass includes access to 240+ spacecraft manufacturers and suppliers, free sessions in the expo hall, networking receptions and much more!

Don't forget there's still time to book your pass to Space Tech Conference 2016, featuring speakers from JPL, NASA, SMC, SpaceX and Boeing, plus many more.

View the program online today.

We'll be at **booth #7013**, so come by and meet the team Tuesday through Thursday.

Register for your free pass by following [this link](#).
